

Scholarship Application for Oregon Residents

Building a Just & Sustainable World

Fellowship of Reconciliation's 51st Annual Northwest Regional Conference
Thursday, July 2nd to Sunday, July 5th, 2009, Seabeck Conference Center, Seabeck, WA

Due no later than May 25, 2009

Fellowship of Reconciliation is an international pacifist organization whose members are committed to working to achieve justice and peace through non-violent means. The retreat includes talks, workshops, music and recreation at a beautiful wooded conference center at Seabeck, WA on the Hood Canal. Workshops will cover a variety of justice and peace-making topics, from local to global. Cost for adults will be \$60 for registration and \$146-190 for lodging (3 nights) and food (9 meals, dinner Thursday through lunch Sunday). The registration materials contain more information about the program.

We strive for diversity of age, race, ethnic background, spiritual beliefs, sexual orientation and family situation. Partial scholarships to the retreat are available to those who would not otherwise be able to attend. Membership in FOR is not considered in granting scholarships; we encourage all those interested in the conference to apply. We ask that scholarship recipients be willing to volunteer at the retreat itself and/or during the year in OFOR activities. For more information on Oregon scholarships, contact Aba Gayle at abagayle33@aol.com or 503-873-4363.
